

Training for TCC Center Staff & In-Home Providers

Indian Health Services (IHS) Training

- **Who Needs to Take IHS Training?**
 - Moapa Child Care Center Staff, In-Home Providers, TCC Assistant Project Director, TCC Health & Safety
- **When Should IHS Training be Taken?**
 - 90 days after their hire date and annually (every year)
- **How to get to the IHS Training?**
 - The virtual annual IHS training is available on the IHS website at <https://www.ihs.gov/bemidji/areaservices/oehe/dehs/>, under the “Available Training & Resources for Tribal Members and Employees”. It would be the modules listed under “Annual Environmental Health and Safety Training for Head Start & Childcare Personnel”. Click on the links under “Annual Environmental Health and Safety Training for Head Start & Childcare Personnel” to begin IHS Training.

The screenshot shows a web browser window with the URL <https://www.ihs.gov/bemidji/areaservices/oehe/dehs/>. The page content includes a circular diagram at the top with 'Policies' and 'Community Partnerships' leading to 'POLICY DEVELOPMENT'. Below this is a section titled 'Available Training & Resources for Tribal Members and Employees' with a list of training options:

- [IHS Food-Handlers Course](#)
- ServSafe Manager/Instructor Courses
- OSHA 10- & 30-Hour Courses
- Housekeeping/Infection Control Training for Healthcare Personnel
- Annual Environmental Health & Safety Training for Head Start & Childcare Personnel

- **Should notes be taken during IHS Training?**
 - Yes, notes are to be taken during IHS Training.
- **What should be done after training is completed?**
 - IHS notes should be sent to the TCC Health & Safety so they can be stored in that individual's file. Also, an IHS Completion Form will be issued and stored in that individual's file as well.
